# EXTEND YOUR OUTDOOR LIVING INTO THE EVENING

---

The Trex range of lighting provides the ability to create a warm glow on various deck areas. Best of all, the lights install via a simple plug and snap system, disappearing into their surroundings for a truly sophisticated look.

## A POST CAP LIGHT

Tucked discreetly under the cap, post cap lights provide a warm downward glow and easy wayfinding.

## B RECESSED DECK LIGHT

These subtle dot lights install flush on the deck boards to efficiently light the way.

## C STAIR RISER LIGHT

Installed into step risers, these lights are durable enough to handle years of passing foot traffic.

# SIMPLE. DURABLE. DEPENDABLE.
